WATSON'S HUMAN CARE THEORY AND THE ART OF 3 Original Center for Human Caring at the University of Colorado The center had several goals: to combine knowledge from various sources which could be used to further research, and to serve as a source of information for others interested in the subject of caring ("Caring in action", 2008)

A Pragmatic View of Wisdom with Rational Ethics

Pragmatic View of Wisdom 50 knowledge management They proposed a new model from Existence to Enlightenment (E2E) as a "cognitive system of knowledge" that redefines the scope of knowledge management They criticize the current approaches for lack of clear boundaries of knowledge and have added Existence

JEAN JACQUES ROUSSEAU, A FORERUNNER OF PRAGMATISM

JEAN JACQUES ROUSSEAU, A FORERUNNER OF PRAGMATISM I define pragmatism as a philosophy that judges of the value of theories and ideas from their consequences, i.e., from the practical results which they yield to the thinker when he proceeds to apply them to reality Pragmatic results may be understood as scientific re

An analysis and evaluation of Watson's theory of human care

An analysis and evaluation of Watson's theory of human care Despite a high priority placed on theory-testing in nursing, there continues to be minimal research undertaken which adequately tests nursing theories A study was planned to contribute to theory-testing in nursing by testing an aspect of

Nursing Incivility and Lateral Violence

- Jean Watson's Caring Theory supports the importance of relationships in healthcare by:
 - o Supporting knowledge in the metaparadigm of person, environment, health, and nursing
 - o Guiding the nurse to foster the patient to nurse relationship as well as the nurse to nurse relationship
